FOREWORD

Dear Readers,

We, the Woodbine Staff, present to you, our classmates, the fruit of our headaches and hard work — the 1962 "Woodbine."

Each student has helped to make this yearbook a success. All school events will be cherished in your mind through the years and may be recalled among these pages. The students will change as years advance, but the character of each person will remain as it appears here.

We, a small minority of the senior class, have undertaken the big task of editing and publishing our 1962 Woodbine in order that the graduating class may remember with pride, our final year at James Wood.

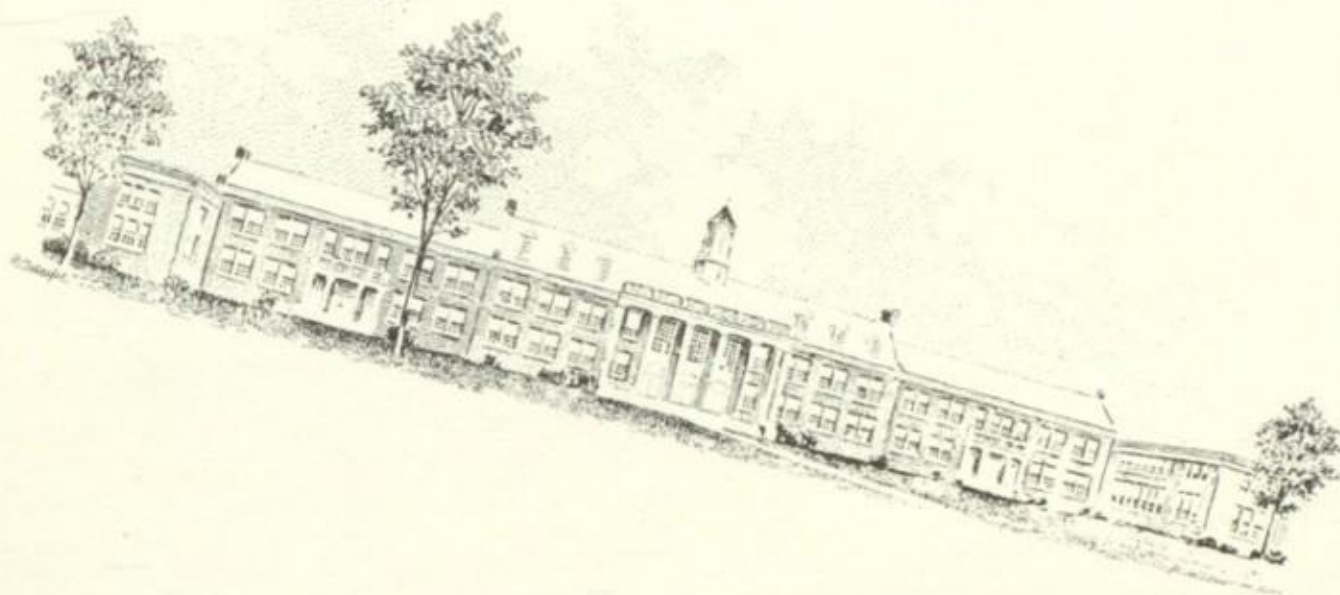

We hope that you will treasure this yearbook. It was ours for almost a year, now it belongs to you.

Sincerely yours,
Barbara LeMaster, *Editor*
Charlotte Leight, *Co-editor*

ALMA MATER

The Junior and Senior Class

James Wood
HIGH SCHOOL

By the city that he founded,
Heart of Frederick lands,
James Wood High, our Alma Mater,
In her beauty stands.
From five schools of age and service
Came her history.
Now we all give full devotion,
James Wood, Hail to thee.

Days with James Wood ne'er are over
for with school days through,
As alumnae we will ever
keep her service true.
Be our years but few or many,
fraught with joy or woe,
We will sing to James Wood praises,
whereso'er we go.

Tho for future years we are planning
lives of useful joy,
Memories of youth are longest
May they never cloy.
Onward ever! be the watchword
conquer and prevail,
Hail to thee, dear James Wood High School !
Hail to thee! All Hail!

DEDICATION

We, the class of '62 wish to dedicate our 1962 Woodbine to Mrs. Elizabeth Hootman in appreciation of the many services she has rendered our school.

By traveling with us through the period of American Literature, you have better prepared us for college and improved our cultural background. Through your diligence in grammar class you have inspired each of us to

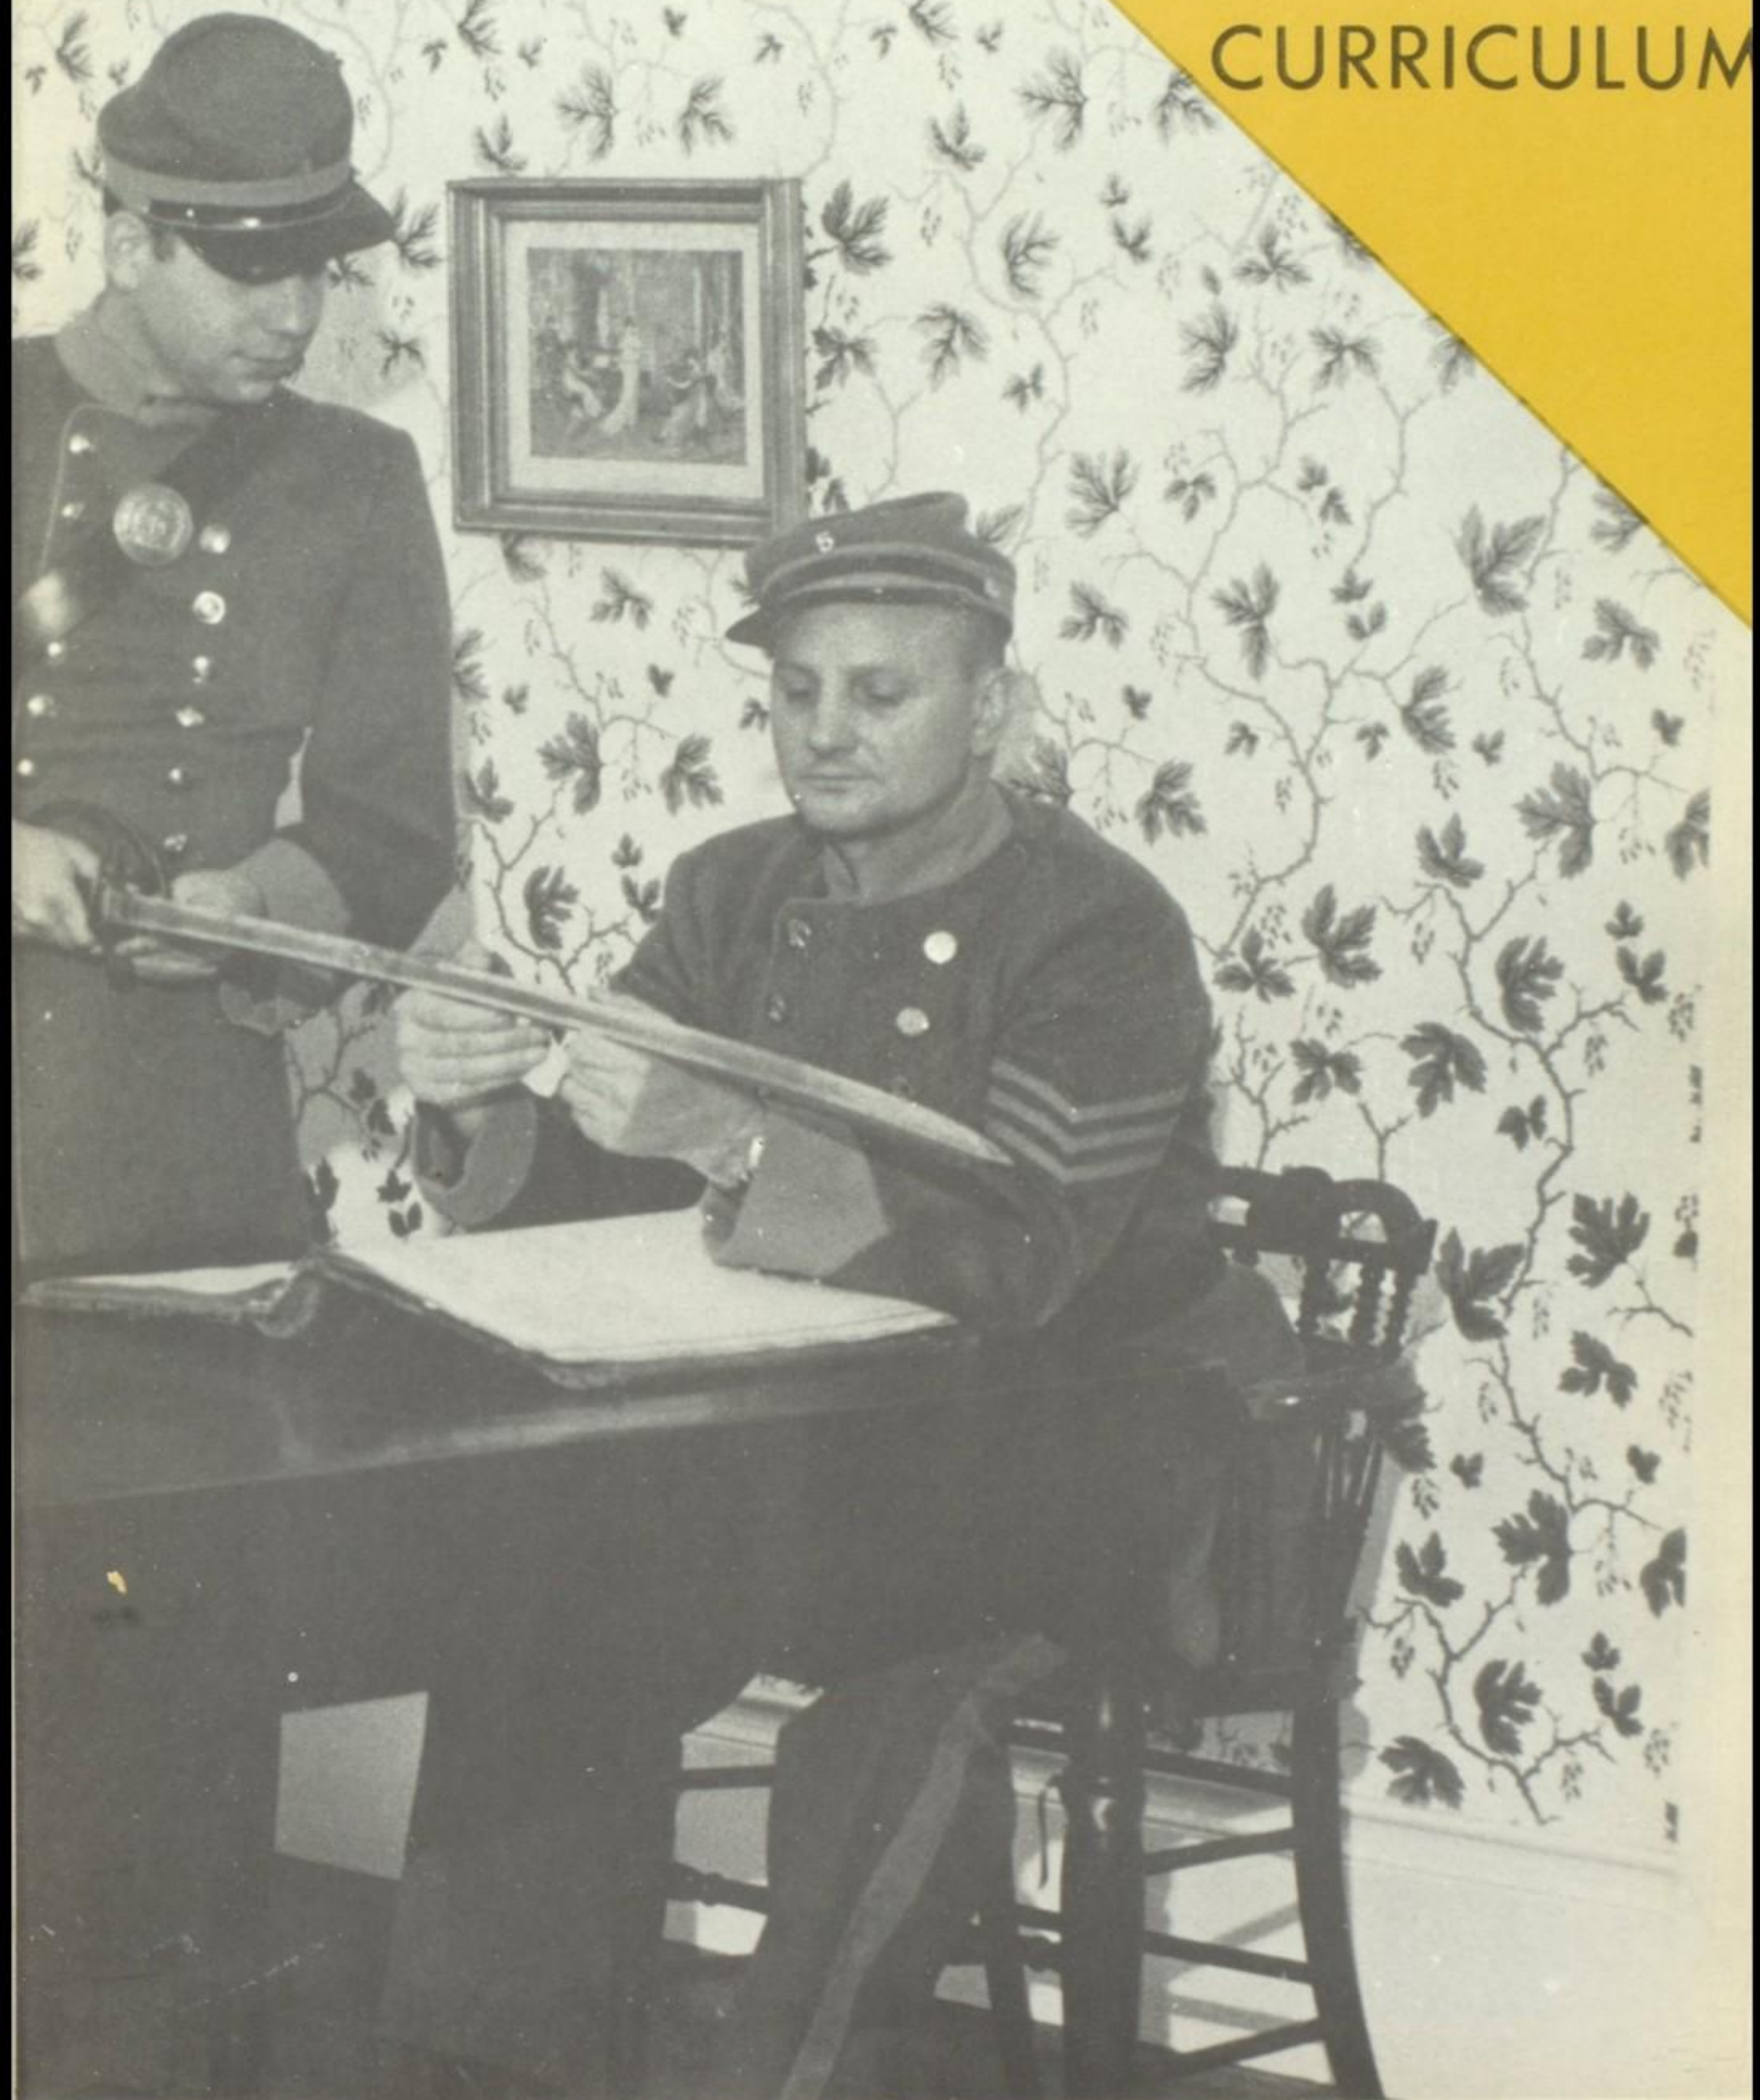

try our best at each crossroad we meet.

Through daily contact with you during our Junior year, we have come to know and respect you as each class before us has done. With this sincere "thank you" may you know that your services have made many contributions to our school and that they are deeply appreciated.

A black and white photograph of a room. The wall is covered in a dense, repeating pattern of small, dark, stylized leaves and vines on a light background. In the foreground, a dark wooden chair with a curved back is partially visible. To the right, a dark wooden table or desk is also partially visible. The lighting is soft, and the overall tone is historical and quiet.

Just as historic shrines, such as Stonewall Jackson's Headquarters, lend themselves to our educational and cultural backgrounds, so do the faculty and administration at James Wood strive to advance our interests in the academic field.

FACULTY AND CURRICULUM

ADMINISTRATION AND SCHOOL EXECUTIVES

Mr. Wright and Mr. Hutton discuss tests statistics.

Mr. Melton Wright
Director of Instruction

Mr. Wright is responsible for the instructional program in all of the schools in Frederick County. He works with principals and teachers to improve the quality of instruction in our schools. Some of his duties are: planning workshops and extension classes for teachers, selecting new textbooks, visiting teachers in their classrooms, investigating new ideas and techniques in education and introducing and experimenting with some of these innovations with other members of the administrative and teaching staff.

Mr. James V. Hutton
Testing Coordinator and Elementary Supervisor

Mr. Hutton plans and directs the testing program in all of the schools in Frederick County. As a part of his responsibilities, he conducts studies of test results and interprets these results for principals, teachers, parents, and students. Mr. Hutton also works in a supervisory capacity with the teachers in the smaller elementary schools throughout the county.

Mr. Aylor pauses in the midst of his daily duties.

The Frederick County School Board

The Frederick County School Board offers guidance and direction to the administration and operation of schools throughout Frederick County. The Board Members discuss ways and means of operating schools and establishing schools policies during their monthly meetings.

SEATED, Left to Right: Mr. Robert Muse, Mr. Huyett Light, Mrs. Elizabeth Sheetz, and Mr. Charles Bass. STANDING: Mr. Clyde Logan and Mr. Fred Whitacre.

PROVIDE IN MAKING OUR SCHOOL THE BEST

Mr. Gordon interrupts his busy schedule to pose for the photographer.

Mr. Melvin D. Fawcett, the assistant principal, is another well-known person frequently seen in our school. As his title indicates, he takes over the duties of our principal in his absence. Besides this, he issues absentee cards and teaches social studies. Included among his other duties are assigning lockers to all new students entering James Wood and collecting teachers' monthly reports. In spite of all of these responsibilities, Mr. Fawcett is always willing to help anyone in any way he can.

"Excused" or "Unexcused" — which will it be?

Miss Lucy Painter, another familiar face at James Wood, is the school bookkeeper. It is her duty to keep all financial records for the school. Through her efforts, confusion and work is lessened in our school.

A new face in the school office this year is that of Mrs. Anita Bly, the school secretary. Mrs. Bly, a past graduate of James Wood, is a great asset to our school and has already proved herself to be indispensable.

Lucy Painter, seated, begins to type the day's correspondence while Anita Bly, standing, answers the phone.

GUIDANCE WORKERS HELP PROVIDE A BRIGHT FUTURE

Betsy Phelps, Mitzi McClanahan, and Sandy Boyles discuss college plans with Mr. Turner.

Mr. George Turner and Mrs. Edna Fetter are the backbone of our Guidance Department. Working with them are Mrs. Hovermale, Mrs. Kave, Miss Patch, and Mr. Ware.

Mrs. Hovermale and Mrs. Kave work together in preparing guidance data.

Mrs. Fetter gives students instructions before they begin their tests.

These persons are striving to give systematic aid to pupils in solving their problems and in making adjustments in various situations which the pupils must meet.

This well-organized and efficient department adds much to our school.

Seven courses, taught by eight teachers, make up the work of the Mathematics Department. These range from general mathematics through algebra, plane and solid geometry to trigonometry. Thus students are prepared for college mathematics or to begin a career in business arithmetic.

In this age of rapid scientific development, we are pleased to note the increased enrollment in our higher mathematics courses.

Mr. Conner gives Betsy Phelps and Sandy Boyles instruction on using the baritone horn.

Music is often called the "Universal Language." How each of us interpret that language is not important, but it is important that we seek to develop a sincere love for good music.

Music is all encompassing, knocking at the door of each life. Students find in it satisfaction . . . joy . . . sorrow . . . comfort — every emotion that lives within the human heart. Music is an integral part of life itself.

This Department conducts classroom, farm mechanics, and supervised farming programs as part of the students training. Through F.F.A. they receive training in leadership, co-operation, and community service.

SKILLS AND ILLS

Mrs. Barr bandages Mr. Burner's wounded hand.

The role of the school nurse is to work toward health education which precedes health services. Our school health program is concerned with health Protection policies, emergency care, health appraisal policies such as teacher-nurse screening and health records and papers.

Co-operative planning and working together of personnel of the schools, health department, and voluntary and professional agencies is necessary for an effective school program.

Among these are pencil, charcoal, ink, water color, and oil paints. Ceramics, paper sculpture, soap sculpture, and wood working are other activities.

OUR SCHOOL PERSONNEL ADD MUCH

FROM LEFT TO RIGHT: Sadie Hollar, Mabel Sergant, Obeliva Whiet, Ruby Larrick, Dale Eversole, Katherine McDonald, Agnes Molone, Hazel Ashton, Faye Clowser, Winifred Pingley, and Thelma Snapp.

Mrs. Sergant and Mrs. Clowser get ready for lunch.

This year there are twelve members on the cafeteria staff, headed by Mrs. Winifred Pingley. Each day they prepare lunches for nearly 1,275 students. Their main purpose is to provide attractive, well-balanced meals for each student. Through such an efficient lunch program the health of the student body is maintained.

Our school custodians have the important responsibility of keeping our school clean and attractive. Among their many duties are: keeping the school well-heated, doing repair work for building up-keep; and keeping the school grounds neat in appearance.

One of the greatest responsibilities of the Frederick County School System is that of transportation. The fleet of buses owned and operated by Frederick County trans-

port the county students to and from school each day. This year Frederick County has added several new buses to the fleet. To operate the best schedule efficiently means the drivers must be well-trained and must assume the responsibility of transporting students to school on time each day and also to provide the maximum of safety. We, in Frederick County feel that we have such efficiency and through this our school system is bettered.

TO OUR HAPPINESS AND WELL BEING

Mr. Jesse Willey helps to keep our school clean.

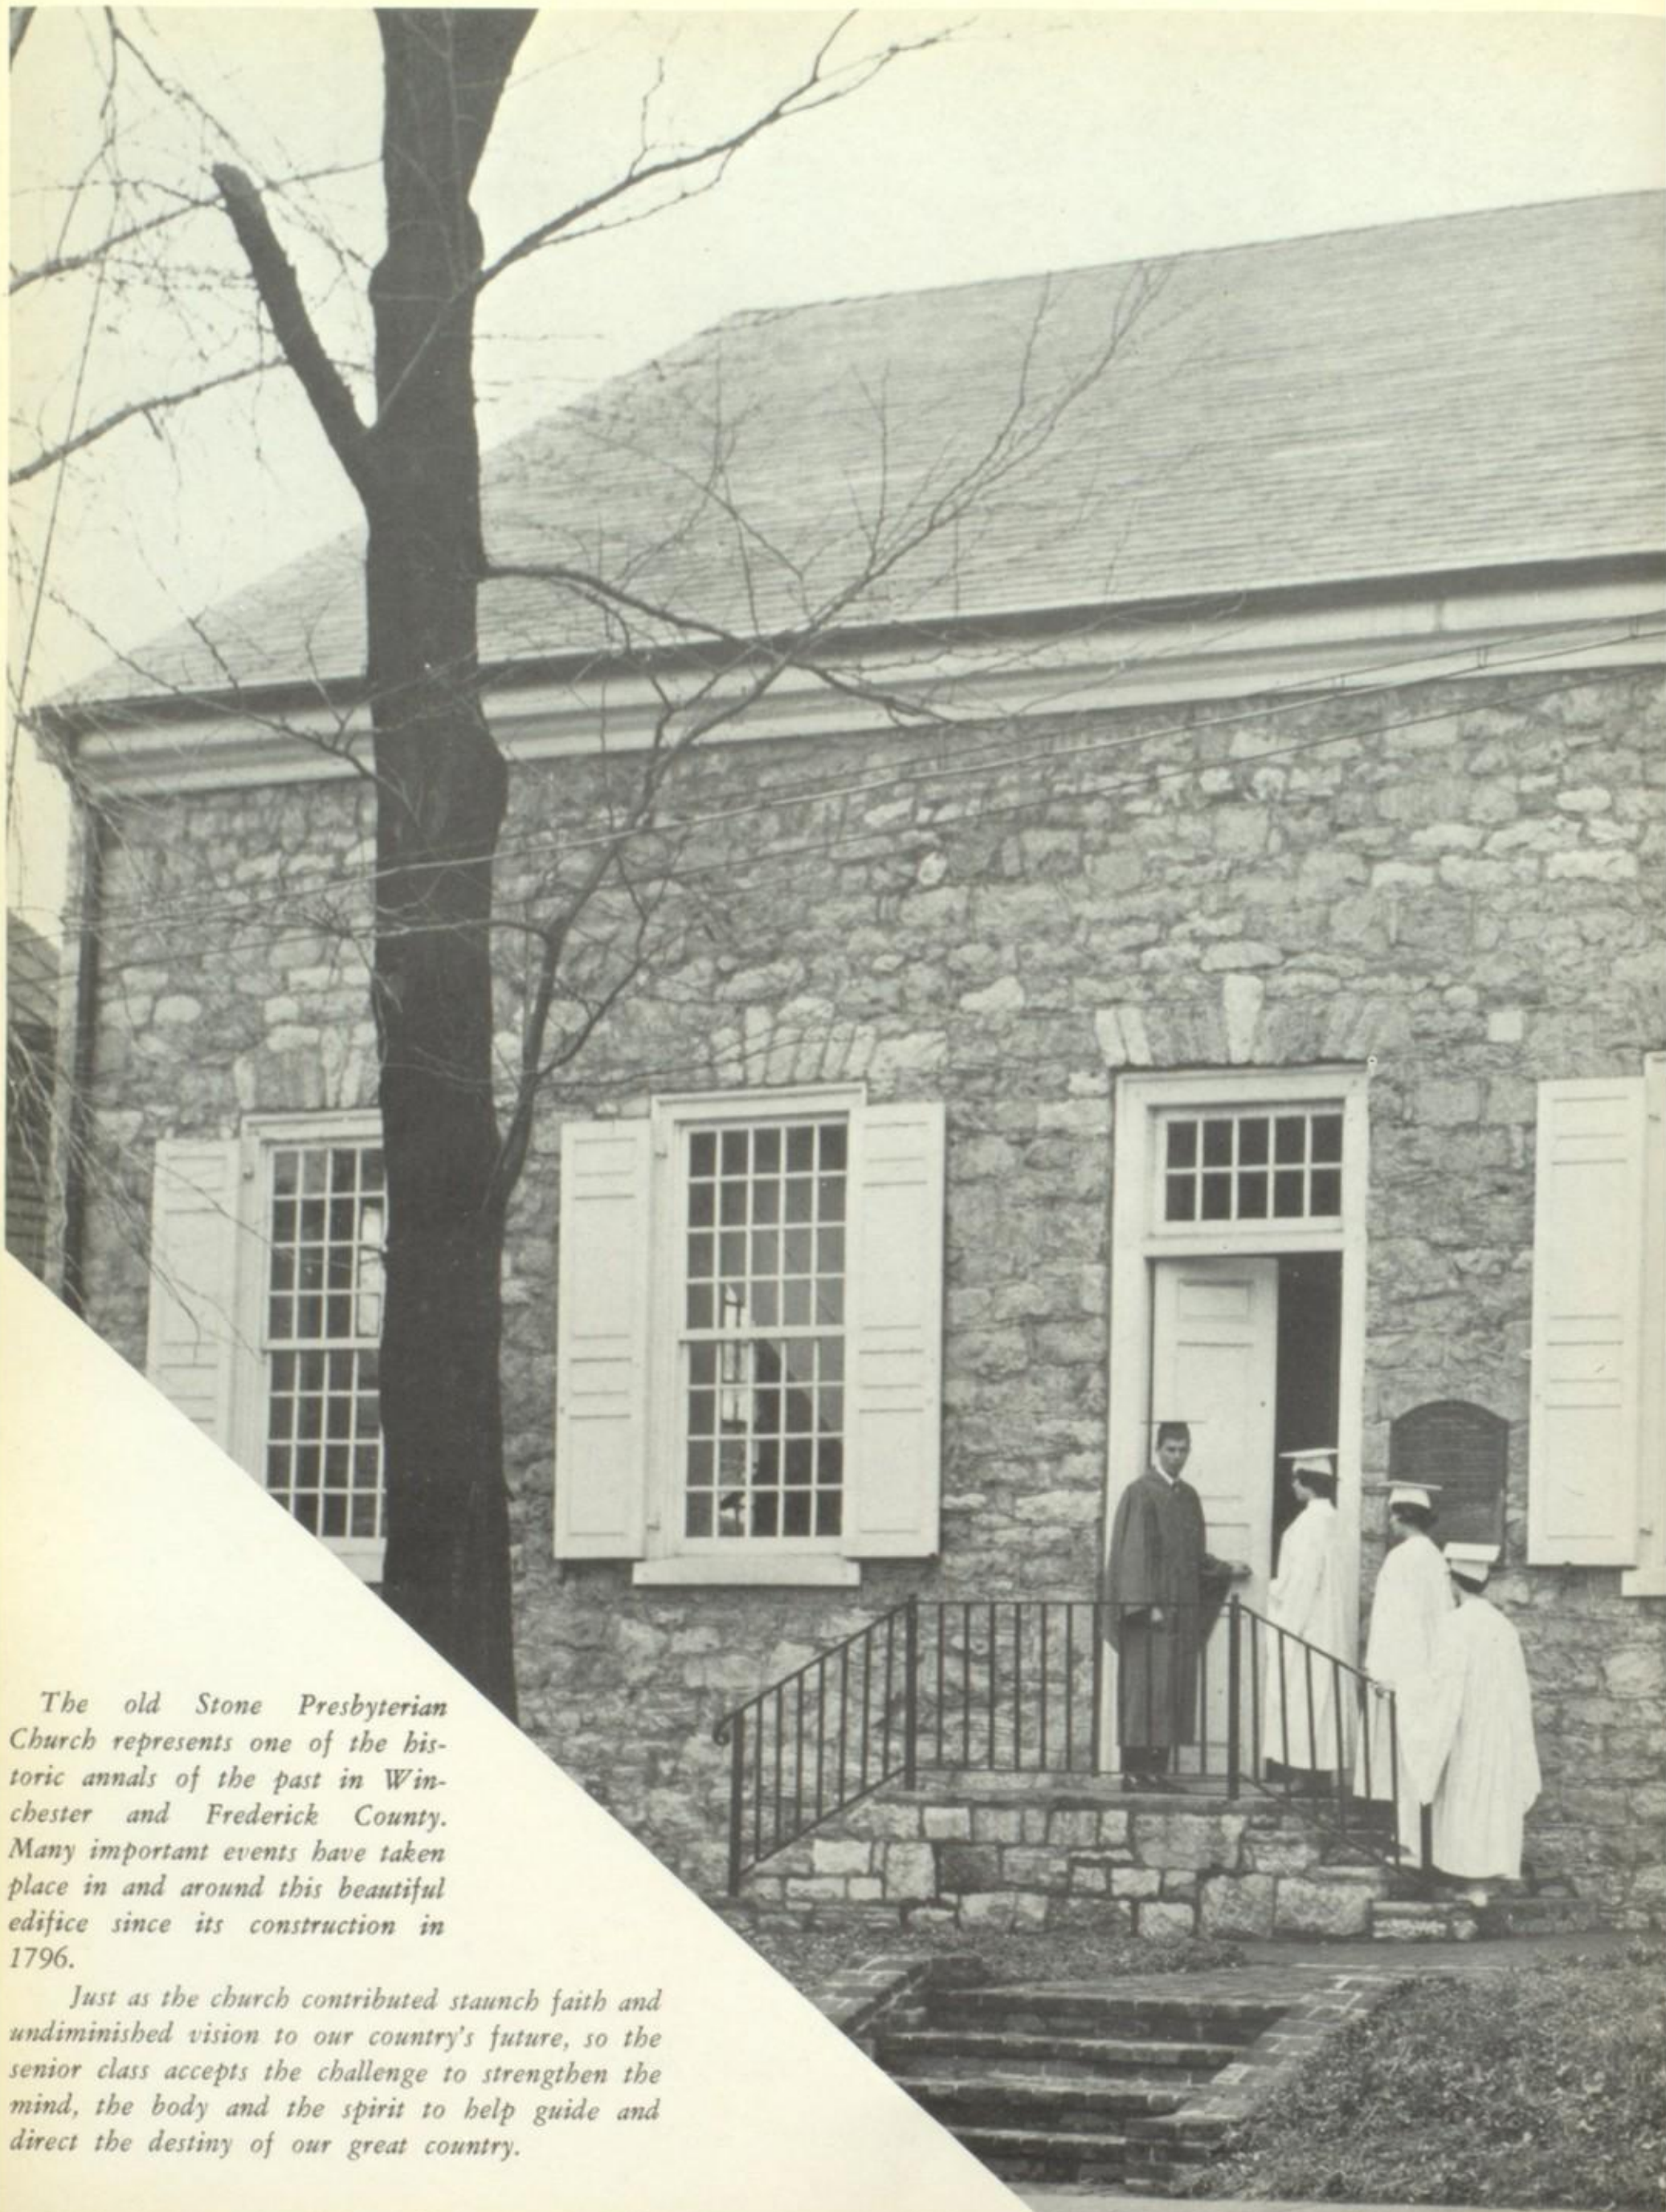

Mr. Jesse Burner is known to the students as Mr. Fix-it.

LEFT TO RIGHT: Kenneth Reynolds, George Flenner, Leroy LeMarr, Noble Unger, Ray Fahnestock, Marshall Shapp, Howard Livermore, Roger De Haven, James See, Tommy Yancey, Eugene Snyder, Donald Snapp, Fred Kerns, Jesse Burner.

Mr. Manuel Perez takes care of the heating system.

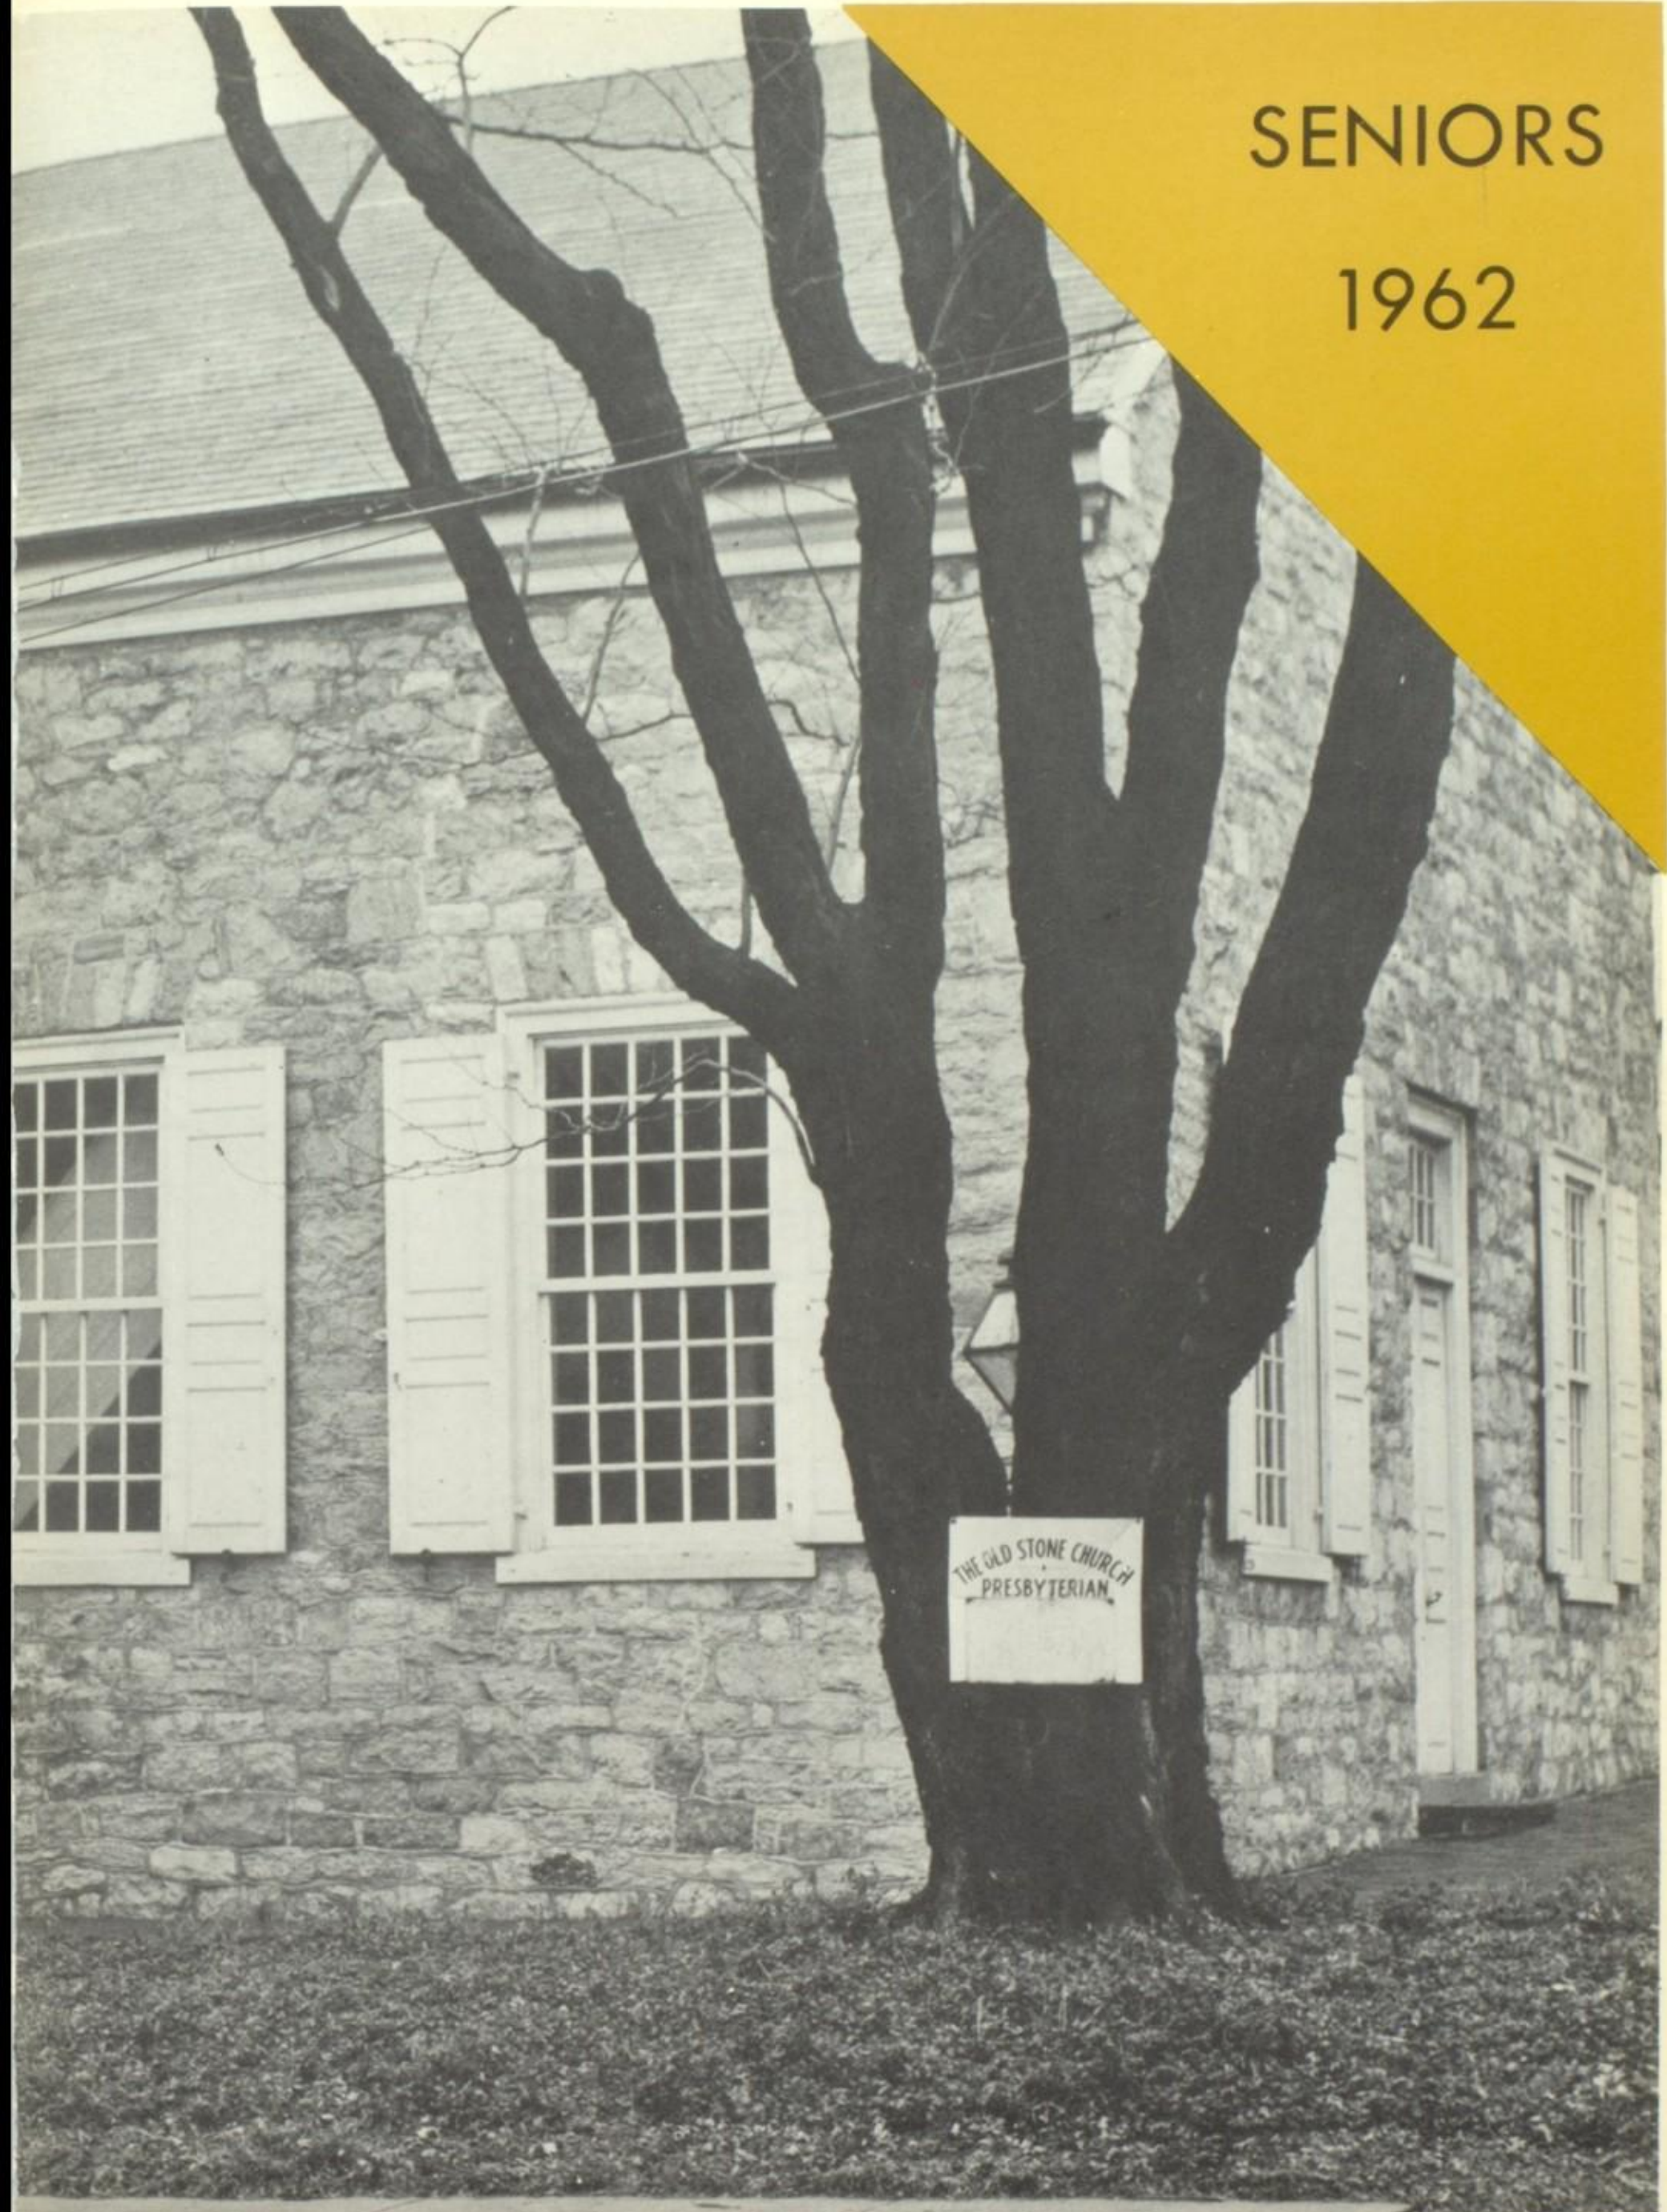

The old Stone Presbyterian Church represents one of the historic annals of the past in Winchester and Frederick County. Many important events have taken place in and around this beautiful edifice since its construction in 1796.

Just as the church contributed staunch faith and undiminished vision to our country's future, so the senior class accepts the challenge to strengthen the mind, the body and the spirit to help guide and direct the destiny of our great country.

RING DAY

A perfect fit!

Each year the seniors look forward to the arrival of Mr. Mike Posey and their class rings. Although the rings are all alike, each senior is especially proud and excited to have his own senior ring.

Good food, music, and dancing were enjoyed at our senior ring dance.

Now we feel like seniors!

Just as the people of The Civil War days sought to aid the wounded who were brought to the hospital at Belle Grove, so must we devote ourselves to helping our fellowmen. This cannot be learned from the books that we study here at James Wood, but it must be learned by each individual in his relationships with others.

By the same token as the Civil War soldiers gave their lives in service to their country, so must we, the students of James Wood, devote ourselves to the betterment of our community. By working and striving through the activities of our clubs, we may help better the young people of today and prepare them for their role as good citizens of our country.

Through our clubs we are able to obtain guidance from our counselors that is useful to us when we face decisions that have to be made.

If we are able to learn to devote our lives to the betterment of our country, then we have accomplished the same purpose as our forefathers.

IMPROVING FARMING METHODS

Harry Kerns and Frank Ritenour are all smiles as they show off some of the Agriculture Department's equipment.

The main purpose of the Future Farmers of America organization is to develop rural leadership, cooperation and citizenship among its members.

In the development of leadership all members served on a committee, studied and practiced parliamentary procedure. They conducted well-planned monthly meetings, put on radio programs and sponsored a Father-Son Banquet.

They assisted their communities by organizing "Keep Virginia Green Crews," in each majesterial district by the prevention of forest fires, setting out tree seedlings and repairing farm machinery. Also, the Agriculture Fair and Pure Bred Swine chains were sponsored by the club. At Christmas they assisted the student body in collecting 60 baskets of food for the needy.

Last fall the members prepared the seedbed and seeded the newly graded playground of 6 acres and the lawn around the new Kline Elementary School.

The Senior Band of James Wood seeks to develop the musical ability of the young musicians who constitute its membership. The band is open to students who possess some musical knowledge and provides an opportunity for them to improve their skill to a greater degree.

The band participates in home football games, parades, University of Virginia Band day, All-state, and district festivals and presents a spring concert each year.

The Junior Band provides the basic background in music which the band student needs before being promoted to the Senior Band. Most students in Junior Band have had one year's experience in music. The students in Junior Band learn a working knowledge of music fundamentals.

CHRISTMAS CONCERT

In the session of 1961 and 62 James Wood developed the type of teams that increased the sports' prestige. Just as Col. James Wood built a name and reputation relying on honor, so did our teams build their name and reputation relying on sportsmanship. On the gridiron, basketball court, and track, our teams have proved to be "better than the best."

In the twelfth year of football competition, James Wood Colonels did not have quite as good a record as it had in the past seasons. The record was 1-3 in District play and 4-5 in overall play.

Although the team did not have a winning season, the inspired play of the team and the good sportsmanship continued as in past seasons.

GRIDMEN

Coach George Walters

As in the past, this year's games proved again that winning is not the only reason for playing.

Although plagued by numerous injuries, the boys continued to play to the best of their ability. Losing several members of the starting eleven during the season made the schedule more difficult.

OFFENSIVE TEAM

FRONT ROW, *Left to Right*: Charles Edmonds, Bruce Barley, James Link, Gary Jenkins, Gary Bolon, Jack Wilfong, Jimmy Michael. BACK ROW, *Left to Right*: Marvin Griffith, Teddy Reed, Joe Hepler, Tommy Campbell.

The James Wood Offensive team showed a potent attack scoring at least one in every game. Although hampered by injuries in the all senior backfield and inexperienced forward wall, the team played the kind of game that made the James Wood student body proud of them.

The Cavalier Defense showed hustle and potential before hampered by injuries. The big fast moving front line, and shifty, alert secondary were the two bright spots.

The power of the Privates was hindered by the use of many of their players by the Varsity team.

Baseball has been one of the outstanding sporting events during the last few years with many fine players developing during this time. Most every season has produced a winning record which James Wood can be proud of. Although the record speaks for itself, James Wood discontinued Baseball at the end of the last school year due to several reasons.

First of all, it is always difficult to schedule games during the busiest time of the year, spring. Many games have been washed out because of rain and baseball here does not draw a sufficient number of fans to at least pay the expenses of the team. With all of these difficulties, baseball had to be dropped from the list of sports here.

MEN AND BOYS

Through the years the athletic department has provided an intramural basketball program for non-participation in Varsity competition. Seven clubs and the men teachers have entered a team this season in order to match their skills with those of the other teams.

BAND — Robert Lofton, Fred Williston, Dickie Stockdale, Mr. Connor, Gary Lofton, Garland Good, Tommy Sheetz, Vaughn Twigg, Dennis Sours, Dennis Wingfield, Hugh Barton, Richard Nagley.

LATIN CLUB — Ray McKee, Ronald Broomback, Richard Allanson, Mr. Montaros, Joe Cheshire, Eddy Snider, Richard Winterstine, William Alexander, Jerald Walkins, Marv Griffith, Terry Bowers, Ronald Holtzman, Earl Fout.

KEY CLUB — Roger Snapp, Mr. Funkhouser, Butch Patterson, Don Martin, Chuck Duvall, Doug Martin, Maynard Grove, Larry Gregory.

VARSITY CLUB — Joe Hepler, Jack Wilfong, Coach Manuel, "Tinker" Edmonds, Jimmy Michael, Joe Osearo, Carlin Rodgers, Dickie Lafollete, Kenny Ashby, Gary Bolen, Cubby Breeden.

INTRAMURALS

During the season, each team plays 7 games which allows them to play each other at least one time. At the completion of the regular season, the top 4 teams will participate in the tournament play-off.

SPANISH CLUB — Clyde Houston, Mr. Fishel, Chris Ward, William Sheat, Peyton Borden, Bill Trentum, Ralph Lloyd.

FUTURE FARMERS OF AMERICA — Roger Shank, Bobby Carpenter, Wayne Phelps, Mr. Davis, Charles McIlwee, Ronnie Bageant, Gary Wallace, Mike Cooke, Edsel Burcham, Leon Owens, Ralph Kerns, Bobby Leight, Walter Burcham.

DISTRIBUTIVE EDUCATION — Roger Adams, Delmar Jenkins, Mr. Jim Biddle, Jerry Bennett, Frankie Clem, Clyde Frye, M. L. Burleson, Jimmy Kremer, Wilson Zirk, Dewey Turner, Eddie Davis.

MEN TEACHERS — Mr. George Walters, Mr. Joe Starling, Mr. Jim Casey, Mr. Archie Manuel, Mr. Joe Fishel, Mr. Glenn Workman.

HOMECOMING QUEEN AND COURT

Seated, Left to Right: Betsy Phelps, Shelva Miller. Standing, Left to Right: Mitzi McClannhan, Queen Carol Lake, Susie Combs.

QUEENS GREATEST MOMENTS

Carol Lake, homecoming Queen of 1961-1962, is crowned by the Mayor of Stephens City, Mr. Comer.

Carol receives a football from Joe Hepler with the signatures of all the football players.

From five candidates chosen by the football team, Carol Lake was crowned Homecoming Queen for the football season 1961-1962.

This, the highest point of the football season will be long remembered in the minds of the girls who were honored to take part on this occasion.
